This manual is intended to define the process for constructing a legal driveway or other work within the State Highway rights-of-way. 1.2 History . In 1974, the Tennessee Department of Highways, now known as the Tennessee Department of Transportation, adopted rules and regulations governing the construction of driveways on state highway

Manual for Constructing Driveway Entrances

The 24-hour counts are adjusted to reflect seasonal changes in traffic volumes and are computed using historical traffic data collected from permanent count stations. Seasonal factors can be assigned to traffic counts based on the functional classification of the roadway and the month in which the counts were taken.
