The Little Book of Common Sense Investing: The Only Way to Guarantee Your Fair Share of Stock Market Returns is a 2007 and 2017 book on index investing, by John C. Bogle, the founder and former CEO of the Vanguard Group. He focuses on index funds, which will give the investor the average market return, and on keeping investing costs low, so that the index fund investor will consistently do better than other investors, after costs. Trying to beat the market "is a loser's game," according to Bogle

The Little Book of Common Sense Investing - Wikipedia

The Little Book of Common Sense Investing, is one of a series of Little Books. It is written in an informative, but easy to understand style. An excellent book for new stock traders.

Ben Stein's & Phil DeMuth's The Little Book of Bulletproof Investing is a small book about investing and how to build a portfolio. This book was actually an interesting book. I bought the book because it was written by Ben Stein.

Little Book Investing Series: Amazon.com

The book is extremely basic and the title is deceptive in nature. The book is not as much about the stock market as it is about trading. The book also does not really reveal any secret but rather some basic trading strategies. Might be useful to someone who is considering becoming a day trader but more in depth learning will be needed.
